RIPPLE

^G If my words did glow with the gold of sunshine,
^C and my tunes were played on the harp unstrung,
^G would you hear my voice come thru the music,
^{G D C} would you hold it near as it were your own?

It's a hand-me-down,
the thoughts are broken,
perhaps they're better left unsung.
I don't know, don't really care,
^{G D C G G F# Am}
let there be songs to fill the air.

^{Am D}
Ripple in still water,
^{G C}
when there is no pebble tossed,
^{A D}
nor wind to blow.

Reach out your hand if your cup be empty,
if your cup is full may it be again,
let it be known there is a fountain,
that was not made by the hands of men.

There is a road, no simple highway,
Between the dawn and the dark of night,
and if you go no one may follow,
that path is for your steps alone.

^{Am D}
Ripple in still water,
^{G C}
when there is no pebble tossed,
^{A D}
nor wind to blow.

You who choose, to lead must follow,
but if you fall you fall alone,
if you should stand then who's to guide you?
If I knew the way I would take you home.
