

All I Ever Wanted

G

F

Sitting around by myself by the fireside
Tryin' to make sense of my life
All my frustrations bottled up inside

D **Dsus4** **D**

It cuts me like a knife

G-F Interlude (2 measures)

G

F

Once I believed that I would be a star
Never thought it would turn out this way
Got handcuffed by the corporate world

D **Dsus4** **D**

My dream seems so far away

G **D**

All I ever wanted

F **C**

All I ever needed

G **D** **F**

Was to sing my song to you

G **D**

All I ever wanted

F **C**

All I ever needed

D **Dsus4** **D**

Was to make my dream come true

LEAD BREAK (Verse Two times)

CHORUS

G

F

Could you believe the man I am
At you know that I tried
If I keep searching, is it a waste of time?

D **Dsus4** **D**

It's eating me up inside

CHORUS (2X)

End on G
