

Better Way

Intro (E – G E – C-D) Bass Riff 4x

Verse

EE GG EE CC DD

Day in, day out we keep the same routine
I still can't figure out what it's supposed to mean
I try to get ahead by following someone's rules
But it always seems instead I end up looking like a fool

Chorus

Bm E

There must be a better way
Why can't I see the better way
Well I can't find the better way
I've lost my mind looking for the better way

EE GG EE CC DD

I work and I slave I try to build a better life
Got one foot in the graver my world is filled with strife
I try to work it out I give it all I got
Sometimes I scream and shout I want to end it with one shot

Chorus
