

# Feel Like A Stranger

---

AG A AG A  
Inside you're burnin' I can see clear through  
AG A AG A  
Your eyes tell me more than you mean them to  
AG A AG A  
Lit up and flashin' like the reds and the blues  
AG A AG A  
Out there on the neon avenues

C#m B C#m C#m B C#m  
But I (feel like a stranger)  
C#m B C#m C#m B D  
Feel like a stranger

Well the music thunderin', restless and hot  
You keep firin' glances across the room  
And I can't stop wonderin' just what you got  
Get the feelin' I'm gonna find out real soon

## CHORUS

RIFF

E  
You know it's gonna get stranger  
D  
So let's get on with the show

Yes and the wheels get smokin' round midnight  
You shoot me a look that says let's go  
Yes and it feels just like runnin' a red light  
Well there ain't no point in lookin' behind us, no

## CHORUS

E  
Keeps getting' stranger and stranger  
D  
If it's love then how would I know

Jam in C#m B C#m until end
