He had twenty years on the line  
He kissed his wife at the station dear  
This morning at six thirty-five  
Well everything went fine till half past nine  
When Charlie looked up and he saw  
There were men on horses, men with guns  
And no sign of the law

And dearly loved his job  
The company rewarded him  
With a golden watch and a fob  
Well Amos he was workin' time  
When the door blew off his car  
They found Amos White is fifteen pieces  
Fifteen miles apart
