First night jitters those rock-n-roll critters
We stand in line for a spectacle of sound
We'll dim the lights and reach new heights
I feel the excitement all around

Rock-n-roll music, the rhythm makes me feel so strong

Black limousine, rev it up and keep it clean
It's got to take me to the show
The crowd's in a rage get me up on that stage
Plug me in and let me go

G **C**
Hope this never stops, yeah, yeah, the spell that I'm under

I got no control sometimes (put your hands in the air)
Because I lose all control sometimes

Just another backstage affair
Just another day heading for the freeway
Dress 'em up and get them out of here

Play it everywhere, you know it really knocks me outndr
