

# Price of Love

---

## Intro (A Capella)

You can't put a price on love, it can't be bought or sold

## E DD E E G A (2x)

## Verse (Same chords as Intro)

He works his fingers to the bone just to get by  
She wants to sit and watch the money fly  
He's been slaving all week to earn his pay  
She wants to dance all night and play all day  
He's doing his best to get by, (going nowhere fast) but at least he tries  
Just being alive (just won't last), she wants a car to match her eyes

## Bridge

E D F C EDF C  
She don't understand, there's more to loving  
E DF C EDF C  
She always demands and he's always giving

## Organ Lead Intro (2x)

## Verse (Same chords as Intro)

He brings her breakfast in bed to show he cares  
She wants to know about the stocks and the shares  
He reads her poetry in the back of his car  
She prefers champagne and caviar  
He's reached the end of the line (trying to keep up) but it just won't do  
His hearts been doing time (it's just not enough) to say I love you

## Bridge

### Chorus

G F  
You can't put a price on love, it can't be bought or sold  
G F  
You can't put a price on love, you may be poor in your hand  
F G  
But still have a heart of gold, a heart of gold

## Lead Break
