

# Rock n Roll Extravaganza

---

## INTRO:

**(Riff) E G A B A G EE 2X**

### Riff

Take a look inside your mind  
For what it is you're here to find  
Shut the houselights, kick the spots  
The boys in the band give it all they got

**E G A E**  
It's the rock n roll extravaganza show gonna be a treat for you

**E G A E**  
It's a sight for sore eyes baby and the music is new

### Riff

Those out there come inside  
The music is loud don't try to hide  
Feel the heat as the temperature's rise  
It's what I need to keep me energized

**E G A E**  
It's the rock n roll extravaganza show gonna be a treat for you

**E G A E**  
It's a sight for sore eyes baby and the music is new

**A B**  
If you haven't heard it's all over the news. This is what I need to take away the blues

**A B**  
Together the mountains we will climb. Just say the word tell 'em it's party time
