Am – Em (2X) - Intro

Am Em
Have you ever seen the sunrise
And feel wonderment and awe
Dm G
Have you sat upon the beach
And be mesmerized by its roar

Am Em
Have you ever seen a starlit sky
That made you feel so small
Dm G
Did you feel so dumbfounded
That you couldn't speak at all

Dm Am - G
It's a special kind of beautiful
That takes your breath away
A unique piece of wonderful
Should be part of you everyday

Am Em
Have you ever gazed upon a girl
That had you in a daze
Dm G
That changed you deep inside your soul
And left you quite amazed

CHORUS

LEAD BREAK (Am- Em) 8x

Am Em
Have you ever held a child in your arms
That made you filled with pride
Dm G
Then you see what a joy she brings
That you just sat down and cried

CHORUS
