

Words and Music: Primeggia

Who Am I

G **Bm**
Drowning in an endless sea
G **Bm**
What choices are in front of me
G **Bm** **D**
I'm blind and I cannot see
G **Bm**
Nothing gets created here
G **Bm**
The whole world is run by fear
G **Bm** **D**
Whispering in my ear
Bm **A**
What is it all about
Bm **A**
That makes me want to scream and shout
G **A**
I need to get out
G **A**
I really need to get out
G **A** **D**
I'm asking you, who am I

People here don't have a clue
Ignorance surrounding you
What I am I supposed to do

I got taken by the greed
I rode it like a lusty steed
I can't get what I need

Where is my dignity
What choices are in front of me
I don't like what I see
I don't like what I see
I'm asking you, who am I

A **D**
Who am I **2X**
G **A** **G** **A**
Who am I, oh who am I, I'm asking you, who am I

LEAD BREAK

Bm **A**
Where is my dignity
What choices are in front of me
G **A**
I don't like what I see
I don't like what I see
G **A** **D**
I'm asking you, who am I
