Glitter

A
Have you ever fed a lover with just your hands?

A
Closed your eyes and trusted, just trusted?

B E F
Have you ever thrown a fist full of glitter in the air?

B E F
Have you ever looked
[fear in the face and said, "I just don't care"?](#)

E D
It's only half past the point of no return

E D
The tip of the iceberg The [sun before the burn](#)

A
The thunder before the lightning

F
The breath before the phrase

D A
Have you ever felt this way?

A
Have you ever hated yourself for staring at the phone?

A
Your whole life waiting on the ring to prove you're not alone

B E F
Have you ever been touched so gently you had to cry?

B E F F
Have you ever invited a stranger to come inside?

E D
It's only half past the point of oblivion

E D
The hourglass on the table The walk before the run

A E
The breath before the kiss And the fear before the flames

D A
Have you ever felt this way?

A
La La La La La La La La

F#m B
There you are, sitting in the garden

F#m B
Clutching my coffee,

A E
Calling me sugar

F#m E A E F#m E
You called me sugar

A
Have you ever wished for an endless night?

A
Lassoed the moon and the stars and pulled that rope tight?

B E F
Have you ever held your breath and asked yourself will it ever get better

BEF
than tonight?

A
Tonight

You and I in A

YOU AND I

A
It's been a long time since I came around
Bm
It's been along time but I'm back in town
D A (G)
But this time I'm not leaving without you

A
You taste like whiskey when you kiss me gogh
Bm
I'll give up anything again to be your baby doll
D A (G)
Yeah this time I'm not leaving without you

D
You said sit back down where you belong
A G
In the corner of my bar with your high heels on
D
Sit back down on the couch where we
E
Made love the first time
And you said to me

D A (G)
There's something, something about this place
D A E F#
Something about lonely nights and my lipstick on your face
D A G
Something something about my cool Nebraska guy
E
Yeah something about
A
Baby you and I

A
Been two years since I let you go,
Bm
I could've listened to a joke on a rock n roll
D A (G)
And muscle cars drove a truck right through my heart

A
On my birthday you sang me a heart of gold
Bm
With a guitar humming and no clothes
D A (G)
Yeah this time I'm not leaving without you

IF YOU WANT ME

Gm Cm
Are you really here or am I dreaming
D D7
I can't tell dreams from truth
Gm Cm
For it's been so long since I have seen you
D D7
I can hardly remember your face anymore
Gm Cm D
When I get really lonely and the distance
D7
causes only silence
Gm D
I think of you smiling with pride in your eyes
D7
A lover that sighs
Gm Cm Dm Gm
If you want me satisfy me
Gm Cm Dm Gm
If you want me satisfy me
Gm Cm
Are you really sure that you believe me
D D7
When others say I lie
Gm Cm
I wonder if you could ever despise me
D D7
When you know I really tried
Gm Cm D
To be a better one to satisfy you
D7
Because you're everything to me
Gm Cm
And I'll do what you ask me
D D7
If you let me be free
